D. CRAWFORD ARRESTED.

The Millionaire Dry-Goods
Merchant Taken Into
Custody.

Prosecuting Attorney Mulvihill Promptly Issued
the Warrant.

Mr. Crawford Surrendered to
the Sheriff at 3 O'Clock
This Afternoon.

State Chairman Cook Declares
There Shall be No
Compromise.

A Conviction Means Imprisonment in
the State Penitentiary for
Two to Five Years.

Prosecuting Attorney Mulvihill issued a
warrant for the arrest of Dugald Crawford
at 1:35 o'clock this afternoon.

It charges Mr. Crawford with attempting
to influence an elector in giving his vote
and attempting to hinder and prevent a
qualified voter from freely exercising the
right of suffrage.

The case of Phil Gradwohl is the specific
case on which the warrant is based.

A second warrant, specifying the case of
T. D. Porcher, will be immediately issued.

Mr. Crawford was notified by telephone
that a warrant was out for his arrest, and
he arranged to surrender himself to Sheriff
Troll at 3 o'clock.

Mr. Crawford called at the Sheriff's office
at the hour agreed upon, Deputy Sheriff
Hale served the warrant and Judge Murphy
of the Court of Criminal Correction, who
had gone to the Sheriff's office in order that
Mr. Crawford might not be put to unnecessary
annoyance, accepted bond for Mr. Crawford's
appearance in court.

Attorney Nolan went to the office of
the Prosecuting Attorney at 10 o'clock in
pursuance of Assistant Prosecuting Attorney
Johnson's statement that he would at that
time say whether or not he would issue a
warrant. The lawyer was accompanied
by Messrs. Gradwohl and Hanlon,
Freundlich and Porcher.

Col. Johnson was there and he retired to
his private office with the lawyer. They
had not been there long before ex-Gov.
Johnson, the Assistant Prosecuting Attorney's
brother and leading counsel in the
case for the prosecution of Mr. Crawford,
appeared.

He joined the other two men in consultation.
They were all together perhaps twenty
minutes when the Assistant Prosecuting
Officer appeared at the door of the private
office. His face was flushed.

"I will not issue the warrant," he said to
Mr. Nolan. "I do not believe there is any
intimidation in it, but you can take the
matter before my superior Prosecuting Attorney
Mulvihill."

With that he walked on downstairs and
Mr. Mulvihill was sent for.

Again there was a long consultation between
ex-Gov. Johnson, Mr. Nolan and
Mr. Mulvihill. Then the ex-Governor
appeared and said that Mr. Mulvihill had
decided to issue the warrant under the law
published Tuesday in the Post-Dispatch.
He had expressed his willingness, said the
Governor, to swear to the information himself
in the name of the State of Missouri.

The waiting employees of Mr. Crawford
were then told that they might go and Mr.
Nolan took up the preparation of the
warrant, which was quite a voluminous
document.

When Assistant Prosecuting Attorney
Johnson was asked for an explanation of
his refusal to issue the warrant he was
inclined to dodge the issue.

"There was no intimidation in what Mr.
Crawford did," he said. "If he had said
that he would discharge the men unless
they voted for McKinley then it would have
been a different matter."

"Don't you think there was indirect
intimidation in what he did?"

"Well, that's different."

"But the law includes both direct and
indirect intimidation," insisted the reporter.

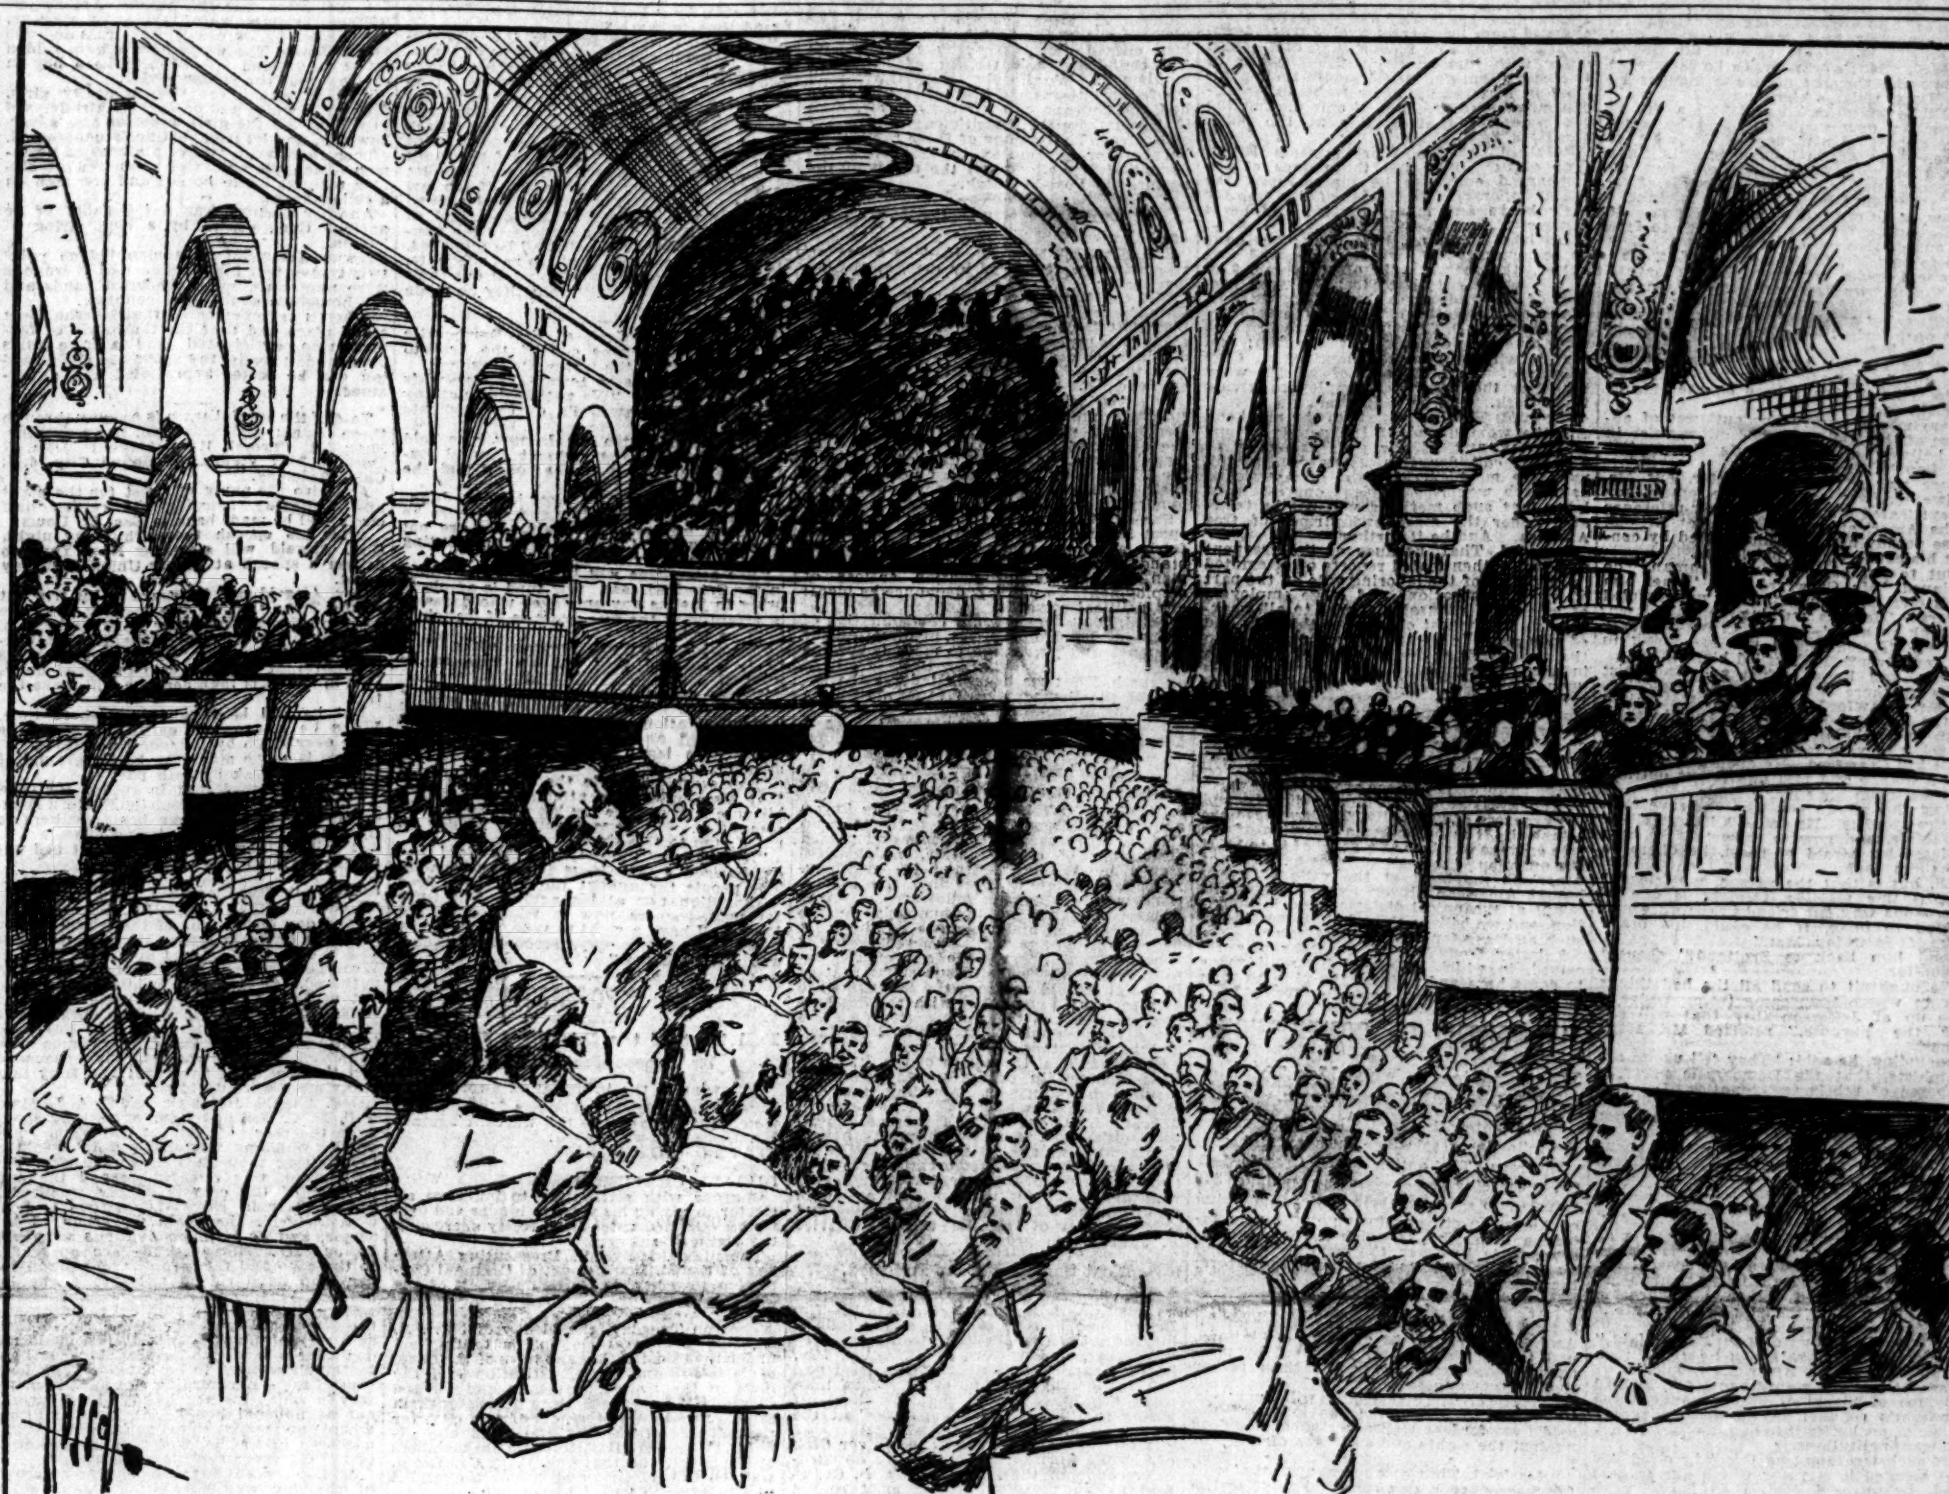

"It is a matter that should have been
taken before the Grand Jury," said Col. Johnson.
"There is where it belonged. They are
in session now. I consulted with Mr. Zachary
about it."

"And he didn't think there was an intimidation in it, either, did he?"

"No, he did not."

"Why should this case follow unusual
procedure when other warrants for
felony are issued here?"

"Don't care to discuss the matter any
further."

THE GREAT MASS-MEETING OF WORKINGMEN AT ORIENTAL THEATER.

From a Pen Drawing Made by a Post-Dispatch Artist.

FAST MAIL WAS ROBBED IN UTAH.

DARING HOLD-UP BY TWO MEN
IN THE MOUNTAINS.

REGISTERED POUCHES TAKEN.

Many Letters Supposed to Contain
Money From the Coast Among
the Booty.

SALT LAKE CITY, Utah, Oct. 14.—The
Union Pacific train due here at 3:15 o'clock
this (Wednesday) morning, was held up at
a short distance east of Utaah, near the
mouth of the Weber Canon and about eight
miles from Ogden.

It is supposed that two men did the work,
but just how much booty they got is not
known and particulars will be late.

The engineer who left the train ahead to
Utaah and telegraphed in the facts. He
believed from the conversation of the men
as they went through the train, that they
intended to blow up the express car with
dynamite.

A train was made up at Ogden and dis-
patched to the scene of the robbery. Orders
were given to organize a posse and run the
robbers down.

OGDEN, Utah, Oct. 14.—The train held
up near Utaah arrived here this morning.
No passengers were molested, the robbers
confining their operations to the mail and
express cars.

The robbers, two in number, boarded the
train at Paterson, a small station in the
heart of Weber Canyon. They surprised the
engineer by suddenly appearing from
behind the tank and covering him with a
gun. They ordered the fireman to cover
his head with a cotton sack which they
threw at him.

The engineer was ordered to stop the
train and told to indicate the express car
he had. While the attention of the
robbers was distracted, the engineer ran
away and escaped to Utaah, where Supt.
O'Neil was notified.

Meanwhile the baggage and express cars
were uncoupled by the robbers and run
ahead of the train a hundred yards and
both cars broken open.

The robbers failed to open the safe in the
express car. The railway officials say that
the booty secured was a few small bags,
the value of their contents being unknown.

A special train in charge of Supt. O'Neil
may catch the robbers, as they cannot get
out of the canyon except by the eastern
route, and all station agents have been
notified and are awaiting the appearance
of the bandits.

VALUABLE LETTERS STOLEN.

Robbed Train Carried Registered Mail
From the Coast.

CHICAGO, Ill., Oct. 14.—The Union Pa-
cific fast mail train, held up at Utaah, Utah,

this morning, was carrying the Chicago
and other Eastern mail from the coast,
due in Chicago to-morrow morning. Supt.
Troy of the Railway Mail Service was
wired this morning by the postal messen-
gers on the train that the postal cars were
entered by the bandits, and all of the
registered mail thoroughly rifled.

The fast mail carries the registered mail
from the coast, and as a great proportion
of such mail is correspondence between banks,
including exchanges and remittances and
always a good proportion of cash, the loss is
supposed by Mr. Troy to be of consequence.

This is the first time in many years that
mail cars have been held up," said Mr.
Troy. "The bandits in the past have con-
tented themselves with rifling express boxes
and have left the mail cars alone, fearing
the consequences with which the govern-
ment's secret agents pursue mail robbers."

"It was an exceptionally bold act to at-
tack the fast mail of the Union Pacific Rail-
road, one of the largest carriers of mail in
the country. The Government cannot afford
to leave untraced the men who did the act."

SILVER PARTY TICKET.

Secretary Lesueur Defers His Decision
Till Afternoon.

JEFFERSON CITY, Mo., Oct. 14.—M. F.
Doud and John A. Kerr, with their attor-
ney, Milton C. Brown of St. Louis, formally
presented to Secretary of State Lesueur at
10 o'clock their ticket which they desired
filed under the heading of Silver Party Ticket.
The petition contained the names and
had on it the Democratic Presidential Elec-
tors and the Republican State ticket.

J. D. Clarkson of Carthage, chairman of
the Silver Party of Missouri, appeared and
presented a protest to the filing of the ticket.
He was asked to file it this afternoon, and
asked that action be deferred until 3
o'clock this afternoon, at which time his at-
torney from Kansas City would be here to
prepare a formal protest. This was agreed
to by all parties and Mr. Lesueur continued
the case until 3 o'clock.

Doud stated that if Lesueur decides
against filing the ticket he will proceed by
mandamus in the Supreme Court to compel
him to file it. Many papers of nomination
for several offices came in this morning and
Mr. Lesueur was very busy all morning.

The Tenth Congressional Democratic mid-
dle will be acted upon this afternoon. Par-
ties are expected from St. Louis on the
1 o'clock train to have a hearing in the
matter. The papers are here, however.
At 1 o'clock to-night the time for filing
nominations closes.

INDIANA FOR BRYAN.

A Free Silver Wave Sweeping Over the
State.

Special to the Post-Dispatch.

LA PORTE, Ind., Oct. 14.—Private advices
received here report that the thirty-day poll
returns indicate a majority for Bryan in
this State of about 40,000. Reports from
every district in the State show the rapid
growth of the free silver sentiment and a
tidal wave is believed to be sweeping over
the State.

Warrant Against Ray.

A State warrant was issued Wednesday
afternoon for James Ray, who shot Jim
Ray in a quarrel about a woman in Big
Alley a week ago.

IN A BLAZE OF SILVER GLORY.

GOV. ALLEGED FLYING THROUGH
SOUTHERN ILLINOIS.

BIG MEETINGS EVERYWHERE.

Great Gatherings of Enthusiastic
People Greet the Governor and
Associates at All Places.

Special to the Post-Dispatch.

MARSHALL, Ill., Oct. 14.—"If Mark
Hanna will take his boodle out of Illinois,
we will carry it for free silver and Demo-
cracy by a majority approaching 100,000."
Everywhere he goes he must purchase.
So that we must count on that.

"The people of Illinois are with us. The
sentiment is all for us."

"Four years ago I canvassed the State. I
can say frankly that conditions everywhere
seem in much better shape now than they
did at that time."

This is the terse way in which Gov. John
P. Altgeld summarized the situation last
night.

He had just ended the first day of the
tour of Southern Illinois in a special train.
It began at East St. Louis Tuesday morn-
ing and ended in this (Clark) county to-
night.

During the day he had made six brilliant
speeches to as many great audiences, and
was preparing for as many more to-day.
This tour of the State began in a prom-
ising way and ended for the first day in a
blaze of glory.

Fully 50,000 voters of the State of Illinois
heard Gov. Altgeld and his associates the
first day, and by the time he reaches East
St. Louis Thursday night 200,000 people
will have heard him.

On that tour the Governor is talking prin-
cipally to the farmers.

He is telling them how the silver question
affects them and how in turn all other in-
dustries are paralyzed.

His associates on the State ticket and
the speakers who are with him are ably sup-
porting him in his enthusiastic advocacy of
free silver.

And the way the sun-browned siliers of
the soil are turning out shows the feeling of
the counties in this section.

People in eight counties—Madison, Bond,
Payette, Jasper, Cumberland, Edgar, Clark
and Jasper—devoted the greater part of
Tuesday to waiting for special trains, and as
the heat of "Egypt," the Democratic Gib-
ralter of the State, is reached the entire
people assist in the demonstrations.

Tuesday's principal demonstrations were
at Effingham, where 4,000 people turned
out at Cairo, where fully 20,000 were con-
gregated, and at Marshall, where 10,000 loyal
supporters of silver gave enthusiastic greet-
ings.

Casey and Marshall are in Clark County
and are expected to arrive here to-morrow.

EX-SENATOR FERRY DEAD.

His Life Ended Suddenly by Paraly-
sis.

GRAND HAVEN, Mich., Oct. 14.—Ex-U. S.
Senator Thomas W. Ferry died here very
suddenly this morning of paralysis. Senator
Ferry had been in splendid health excepting
attacks of sudden dizziness until three days
ago, when he took 48 his bed. The family
sat up with him a short time, when he
seemed to be asleep. This morning they
found he was dead.

Hon. E. P. Ferry and Col. Montague
Perry, his brother, reside at Park City, Vt.
They have been wired and soon as a reply
is received arrangements will be made for
the funeral, which will take place here.
The interment will be at Lake Forest cem-
etery.

Thomas White Ferry was born at Mack-
inac, June 1837. In 1853 he was elected to
the Legislature, in 1861 elected to Congress
and in 1871 to the United States Senate. Dur-
ing the Hayes and Wheeler electoral coun-
ting became on the death of Vice-President
Wilson acting Vice-President. He was de-
feated for re-election to the Senate by
Thomas W. Palmer in 1883. He was unmar-
ried.

TOBACCO COMBINE.

A London Syndicate to Monopolize the
Business.

NEW YORK, Oct. 14.—Rumors that have
recently attended the sharp upward move-
ment in Tobacco stock of negotiations
pending for control of large tobacco manu-
facturing plants by foreign capitalists have
crystallized into a definite report that a

London syndicate has been formed with a
capital of \$500,000 and has purchased and
will operate abroad the foreign patent rights of
the National Cigarette and Tobacco Co. The
National company, it is alleged, is building
fifty cigarette machines to be delivered in
England by Jan. 1. In the domestic trade,
there are persistent rumors of impending
startling developments of a bullish character
in the direction of a strong combination on
Standard Oil lines.

FRYING THE FAT.

Hanna Puts the Clamps on Banks and
Insurance Companies.

Special to the Post-Dispatch.

NEW YORK, Oct. 14.—The Republican Na-
tional Committee, through Mark Hanna, has
decided to assess all the financial institu-
tions in New England one-eighth of 1 per
cent of the capital stock as a campaign
fund for use in the Middle Western States.

Ex-Gov. Morgan G. Bulkeley of Connecti-
cut is acting for Mr. Hanna in Connecti-
cut. There is much indignation in that
State. Particular indignation is caused by
the fact that several savings banks and mutual
insurance companies, several of which have
refused to subscribe.

In New Jersey nine national banks have
voted by their directors, to pay Hanna's
assessment of \$1,000 each, which was es-
timated "according to the business done."

This, in spite of the protests of Democrats
on the board, who dare not make any pub-
lic complaint. The New Jersey State Dem-
ocratic Committee, however, will take ac-
tion in every case of intimidation that comes
to its notice, and more than one hundred
have been detailed to the committee. Legal
means will be applied to.

THE AUDIENCE WAS MADE UP ALMOST
entirely of plain people. They were the ones
who felt themselves particularly aggrieved
by the conduct of the Broadway merchant.

However, Mr. Crawford's action might be
condemned by those with more freedom by
reason of the character of their employ-
ment, as the issue was not brought directly
to them, they did not feel that their personal
rights were menaced, and the plain people
did. It was but natural that those last
should voice the protest in the name of the
American people.

Leading men in union labor of the first
brought the idea of a mass-meeting
through their efforts and under
pieces it was accomplished.

Seated on the stage were such men as

An Ovation to the Post-Dispatch

Resolutions Warning Employers

Freemen's Rights.

Eloquent Speakers Addressed as Many
Persons as Could Be Crowded
into the Hall.

For a time at the indignation meeting
held Tuesday night in the Oriental Theater,
it was a little difficult to decide whether
the assembled thousands were more bent
on denouncing the conduct of D. Crawford in
discharging twelve of his employees for po-
litical reasons or on commending the Post-
Dispatch for its publication of all the facts
in the case.

Every mention of the paper's name
brought forth a burst of applause that was
terrific and resolutely hearty thinking
it for its fearless course, were passed with-
out a dissenting voice amid a wel-

cheers.

The meeting was a magnificent one
on the part of the people of St. Louis,
the coercion and intimidation of em-
ployers. It showed that down in
hearts the plain people still love the
of franchise and are willing to fight it
honorable way for its maintenance.

showed the power, too, of these same
people when their eyes have been opened
to the wrongs which are being done them.

Its influence as the crystallization of the
resentment which has been flaming all over
the city, will no doubt be felt in the future
whenever the temptation comes to an em-
ployer to usurp the suffrage rights of his
workmen merely because he pays them wages
in return for their labor. The meeting had
been called for 8 o'clock. At that hour
there was not a vacant seat in the hall, and
the wide aisles on either side of the chairs
were packed with a dense crowd.

Up stairs in the gallery tiers of men rose
above the other to the roof. In the
boxes, stretching the full length of the hall
on either side, were a large number of
ladies, well dressed and well bred, and as
earnest in their determination to add their
protest against un-Americanism as were the
men.

But still the crowds coming from all sec-
tions of the city poured into the building.
By and by it was scarcely possible to
wedge in another person, and then the side-
walk and steps in front of the theater
began to fill up. By 8:30 the street was
jammed from building line to building line,
so that carriages which started to pass from
Olive to Pine streets over Seventeenth
street were obliged to turn back and seek
other thoroughfares.

The audience was made up almost en-
tirely of plain people. They were the ones
who felt themselves particularly aggrieved
by the conduct of the Broadway merchant.

However, Mr. Crawford's action might be
condemned by those with more freedom by
reason of the character of their employ-

Employers of large numbers of men are making every effort to give their employees a holiday or a half holiday on election day. The Post-Dispatch has brought the terms of the new election law before the eyes of the employers of workmen. In the hurry of the election, the time for voting has been reduced. In making the rounds of the big business houses, the Post-Dispatch found a surprising number of manufacturers and merchants who had not known that the new law would close at 6 o'clock until they read the Post-Dispatch's plea for the workmen.

STEAM NAVIGATORS.

Their Twenty-Fourth Annual Convention Closes.

The National Board of Steam Navigation completed its twenty-fourth annual session at the Southern Hotel Tuesday evening with the election of officers, which resulted as follows:

President, Gus C. Melsheimer, St. Louis; First Vice-President, B. D. Wood, New Orleans; Second Vice-President, W. W. O'Neil, St. Louis; Secretary, Charles H. Boyer, New Orleans; Assistant Secretary, Hunter Ben Jenkins, St. Louis.

At the meeting one of the important features discussed was the proposed revision of the Federal Navigation Act. It was thought to contain many features inimical to marine interests. After a lengthy discussion, the board decided to prepare a modified bill, and devise means for presenting it to Congress at the short session.

The question of a third bridge at St. Louis was discussed, but no recommendation was made. The sentiment was expressed that it should be a suspension bridge, if it was located within a mile and a half of either of the existing bridges.

A resolution was passed favoring the purchase by the State of Illinois of the Illinois River.

The next meeting will be held in New York.

POLICE CHANGES.

Three Officers Dismissed and a Number Transferred.

The Board of Police Commissioners Tuesday dismissed Patrolman Richard F. Patrolman Frank Meyer of the Fourth District was also dismissed for drinking in a saloon while on duty. Patrolman John J. Denney of the Third District was reprimanded for failing to patrol his beat. The board also instructed the chief of police to suspend Patrolman Sidney E. Sears of the Central District for an alleged offense. The charges against Officer Sears were ordered filed. The following transfers were ordered: Patrolman John J. Callahan, from Third to Central District; Patrolman John J. Denney, from Third to Central District; Patrolman John J. THEY WERE SUCCESSFUL.

An Elopement Couple Wed at Clayton.

Maurice Covington and Alta Wittenberger, a young couple from Peru, Ind., had all kinds of trouble in getting married, but they surmounted all obstacles, and were duly wedded at Clayton Tuesday evening.

The young couple eloped from their Indiana home Monday. They came to St. Louis. The girl's mother followed and succeeded in locating them before they applied for a license.

Young Covington persuaded the mother to consent to the wedding and she accompanied the couple to Clayton. Covington, who looks to be not over 18, said he was 21 years old, but when he was born he was born in November, 1875. This made him one month short of his majority and the document was declared invalid.

Then the trio repaired to Clayton, where they were successful.

THE WHEEL WENT ROUND.

It Carried Mathews With It and Threw Him Ten Feet in the Air.

While at work in the polishing department of the Hamilton-Brown Shoe Factory at Eleventh and Washington avenues, Henry Mathews' left foot was entangled in his machine.

The wheel carried him round repeatedly and finally threw him ten feet in the air and away from the machine. One of his shoes was literally torn from his foot. He was seriously injured all over the body and suffered serious internal injuries. He was taken to the dispensary, where his wounds were dressed. He lives at 311 Bacon street.

Mrs. Cora Calvin Kohrs called at the Four Courts to obtain assistance in finding her daughter, who she says eloped from her home, 537 McMillan avenue, Cincinnati, at night of Sept. 30, in company with a young man known as Talby Blake. Mrs. Kohrs thinks that her daughter and Blake came to St. Louis, remained here a few days, and then started South.

She wants the police to find her the baggage was checked, but it is not probable that she will get the assistance of the police for the time being. SUTTER BILL DEFEATED.

Council Unanimously Refused to Reconsider It.

Both branches of the Municipal Assembly met last night after recess of several days, which was interrupted for a day or two by the special call of the Mayor for the Poor-house emergency barracks.

The Council was short two members, Messrs. Hagan and Uthoff. President Nagel was in the chair. The Sutter county bill was called up for reconsideration and passage over the Mayor's veto. The motion was defeated by a unanimous vote of all the members present. This action settles the bill in its present form at this session of the Assembly.

The Metropolitan Railway bill came up for second reading and upon motion of Mr. Horton was filed. As soon as it was known that it was the Sweeney bill there was but little hesitation about what to do.

The City Councilor sent a message informing the Council that on Dec. 1 the time for the election of the Board of Public Works would expire and it was impossible to make a report on the bill.

Mr. Ferris introduced a bill to put a license on the sale of beer and wine. The bill was referred to the Committee on Finance.

The House of Delegates there were but seventeen members present.

Mr. Sullivan introduced a street car grab bill under the title of the Cosmopolitan Railway Co. It is the same old bill asking for a hundred or two million of dollars to be paid to the city for the right to use the tracks.

Mr. Winters introduced a bill to make up the deficits accumulated by J. Harry Randall, the Building Commissioner. The bill appropriates \$15,000 as balance due on contracts made to repair damages of the city.

The motion of Mr. Pauley to reconsider the Sweeney bill was defeated by a unanimous vote of all the members present. The bill was now a law and out of the jurisdiction of the Council.

Both houses adjourned for a week.

Our fine tailor-made ready-to-wear Clothing, made by ourselves and retailed by ourselves direct to the wearer, without any middle profits, affords every man and boy the opportunity to be correctly clothed at an affordable price.

The young couple eloped from their Indiana home Monday. They came to St. Louis. The girl's mother followed and succeeded in locating them before they applied for a license.

Young Covington persuaded the mother to consent to the wedding and she accompanied the couple to Clayton. Covington, who looks to be not over 18, said he was 21 years old, but when he was born he was born in November, 1875. This made him one month short of his majority and the document was declared invalid.

Then the trio repaired to Clayton, where they were successful.

THE WHEEL WENT ROUND.

It Carried Mathews With It and Threw Him Ten Feet in the Air.

While at work in the polishing department of the Hamilton-Brown Shoe Factory at Eleventh and Washington avenues, Henry Mathews' left foot was entangled in his machine.

The wheel carried him round repeatedly and finally threw him ten feet in the air and away from the machine. One of his shoes was literally torn from his foot. He was seriously injured all over the body and suffered serious internal injuries. He was taken to the dispensary, where his wounds were dressed. He lives at 311 Bacon street.

NEBRASKA BY 20,000 VOTES.

That Will Be the Answer of Bryan's Home People to Wall Street.

In a letter from Benton Muret, private secretary to Gov. Holcomb of Nebraska, to P. C. Ellis of this city, the following statement is made relative to the situation in Bryan's own State:

"I am in receipt of confidential estimates from accurate and reliable politicians in every county in Nebraska, and representing every phase of political belief. Compared and averaged they show a majority for Bryan in this State of at least 20,000. It is quite likely that his majority will exceed this estimate by 5,000 or 10,000, but it can be placed at least at 20,000. Gov. Holcomb will have a similar majority, and we will have silver Congressmen from at least four of the six districts. In my opinion, our country is now in a position to elect a President who cannot get an even bet in Nebraska or, in fact, who bet all against Bryan or Holcomb carrying Nebraska. The Republican Committee privately concede the State to Bryan, and are making desperate efforts for the State ticket and some of the Congressmen."

HOLD PITZMAN'S CHECK.

Nothing the Matter, However, With His Stopping Payment.

Park Commissioner Ridgely has decided to refuse Mr. Pitzman's request regarding his \$1,000 check. Mr. Pitzman wanted a lot of dirt for some land he was improving near Forest Park, so he borrowed it from the southeast corner of the park, promising to trade the spots where he took the dirt from and send them over to the city as a guarantee.

He asked for his money a few days after the check was cashed. The committee decided that he had not.

KAPLAN'S BID ALL RIGHT.

Committee Has Declared That His Terms Are the Lowest Offered.

The contract of John Kaplan for sheet iron work at the new City Hall has been held up by the Board of Public Improvement awaiting a decision of the court on the injunction proceedings to restrain the city from re-letting the Meeker contract.

The Committee on Public Buildings has declared the bid of Kaplan to be the lowest. All others will be ignored and the money returned to the bidders.

THEY ARE AMERICANS NOW.

Many Thousands of Ex-Subjects Have Been Made Citizens.

The crowds which have besieged the three courts of record at the Four Courts during the past several days seeking naturalization papers have to be regarded as this being the last day of registration for the Presidential election.

The scene attending the naturalization of the foreign born citizens at the Four Courts has been among the most interesting witnessed in the city for a long time. Between 15,000 and 18,000 papers of naturalization were issued.

SUING AN ESTATE.

Mrs. Emilie Pinkert Wants a Settlement From Brueggemann's Heirs.

Mrs. Emilie Pinkert has filed suit against the Mississippi Valley Trust Co., as administrator of the estate of the late August Brueggemann. She alleges that when Carl Otto Pinkert, her husband, died it was necessary to sell a piece of real estate owned by him to satisfy a mortgage of \$1,000 over the mortgage was realized. Some \$1,000 was paid to Brueggemann, she alleges, that the amount had to be recorded as a personal estate of her husband.

On this representation she consented to the appointment of Brueggemann as administrator of the estate. He died before the estate was closed up. Mrs. Pinkert asked judgment for the \$1,000 and an accounting from the estate of Brueggemann.

SILVER MEETING AT ROCK SPRINGS.

CHINESE STUDENTS HELD.

Their Papers Did Not Satisfy the Federal Officers.

SAINT FRANCISCO, Oct. 14.—Rev. F. J. Masters, State Superintendent of the Methodist Chinese work, has two Chinese students, whom he holds in custody for Collector J. H. Wise. They are the sons of the Rev. S. S. Ong, D. D., M. A., presiding elder of the Foo Choo District, and the most eminent native divine in China. The young men came to this port two days ago, but were not permitted to land. Si Tang Ho, the elder of the brothers, sent at once for Masters. The minister found that the irregularities of the papers consisted in the fact that the students were not in English, as the law requires. An effort is being made to have the authorities permit the young men to land, as they may be necessary to secure new papers from China. The young men intend to become ministers.

TOBE THE GRATER HAS A KICK.

Tobias Mitchell, late Secretary of the Board of Health, who was tried before the Mayor and found guilty of grafting, thinks that the city was unjustified. By his attorney, Judge Chester H. Krum, he filed a petition for a writ of certiorari in the Circuit Court to have the record of his trial sent up for review. The petition makes the usual denial of guilt and asserts that Mitchell was treated unjustly. The case was assigned to Judge Wood's division.
